Kitchen for your ones

MERLOT

We aspire to be the most Trusted brand for innovative and high-quality kitchen appliances, bringing innovation, functionality and affordability together, to create the best kitchen solutions for the modern household.

We are the manufacturers of Kitchen Chimneys, Cooktops, Built in Appliances (Hobs, Ovens, Microwaves) and Inductions with BIS certification and standards.

Our Chimneys are designed to meet the aspirations of mass Indian consumers, seeking products with high suction capacity, low noise, energy efficient and easy to clean & maintain.

We offer range of Filter Less Electric Chimneys with 'Turbo Suction' (best in class suction capacity), Energy efficient BLDC motors, Dry Heat Auto Clean features with Metal Blower and Motion Sensor with Touch Control. Our Products are made with stringent quality control, keeping an eye on cost.

The Built-in-Appliances (Hobs, Ovens, Microwaves), Hobtops & Cooktops are specially designed for Indian cooking style and are very easy to clean and maintain.

We strive for customer satisfaction by blending advance technology with reliability and style.

Let's cook happiness together.
